Doha, Dec. 2 (QNA) – Old Doha Port has launched a full program of fan experiences and cultural activities for the FIFA Arab Cup 2025, running from December 1 to 18. The initiative, under the campaign “From the Port, the Journey Begins,” positions the Port as Qatar’s maritime gateway during the tournament.

Fans can enjoy a dedicated Fan Zone at Mina Park, opposite the Containers Yard, featuring live

broadcasts of all matches on large screens along the scenic marina. Food and beverage stalls enhance the festive atmosphere, creating a lively waterfront destination for visitors of all ages. The Mina District will host daily roaming and stationary performances, as well as cultural showcases from 4:00 PM to 10:00 PM, offering family-friendly entertainment throughout the tournament. In addition, AlMajlis by AlKass TV will broadcast live from Old Doha Port, making the Port the central hub for Arab Cup discussions and analysis.

For visitors arriving by sea, exclusive Arab Cup berthing packages provide luxury marina access, premium match tickets, and world-class marina facilities. The Mina Link water shuttle, in partnership with Brooq Tourism, connects key hubs including Mina District and the Containers Yard.

Through these activations, Old Doha Port invites fans to experience the Arab Cup spirit firsthand and celebrates its role as a premier destination for sport, culture, and maritime hospitality
