Doha, January 19 (QNA) – HH the Amir Sheikh Tamim bin Hamad Al-Thani has affirmed that the Doha International Maritime Defense Exhibition and Conference (DIMDEX) is a global pioneering platform that is gaining growing momentum by virtue of the consequential partnerships and considerable investments it achieves.

Posting on his official X account, HH the Amir said DIMDEX is a global leading platform in this field

and is gaining growing momentum thanks to the consequential partnerships and considerable investments it achieves to motivate innovation and develop technological solutions for defense and security systems that serve international stability and peace.

He wished full success for the conference alongside this exhibition.
