Multan: The Vice Chancellor of the University of Agriculture, Swat, Professor Dr. Daud Khan, paid a visit to Muhammad Nawaz Sharif University of Agriculture, Multan. On this occasion, he held a detailed meeting with Vice Chancellor Professor Dr. Asif Ali (Tamgha-e-Imtiaz) and faculty members, and exchanged views on matters of mutual interest.

Professor Dr. Daud Khan praised the academic, research, and administrative progress of Muhammad Nawaz Sharif University of Agriculture, Multan, stating that the university has emerged as a model institution within a short period of time. He formally invited the Vice Chancellor and faculty members to visit the University of Agriculture, Swat, and expressed his desire to seek guidance for the development and restructuring of his university in line with the model of Muhammad Nawaz Sharif University of Agriculture.

On this occasion, both universities agreed that future collaboration in academic and research activities, faculty exchange programs, joint research projects, and institutional development would lay a strong foundation for sustained academic partnership.

Professor Dr. Asif Ali stated that Muhammad Nawaz Sharif University of Agriculture, Multan, is working tirelessly not only to provide quality education and training to students but also to serve the farmers of the region, and that these efforts are yielding positive results.
