Doha, February 01 (QNA) – HH the Amir Sheikh Tamim bin Hamad Al-Thani expressed hope that Web Summit Qatar 2026 will help stimulate the exchange of expertise and boost the knowledge-based economy in the region.

In a post on his official account on X, HH the Amir said that during his visit today to the Web

Summit Qatar 2026, he was briefed on the advanced initiatives that this leading technological

platform in the region is hosting, which will open new paths for innovation, partnerships and entrepreneurship in the digital field, hoping that the summit will contribute to stimulating the exchange of experiences and supporting the knowledge economy in the region.
