Doha, February 10 (QNA)– The Ministry of Interior and Internal Security Force (Lekhwiya), in collaboration with Visit Qatar and Media City Qatar, organized the National Sports Day activities at Stadium 974.

Patronized and attended by HE Minister of Interior and Commander of the Internal Security Force (Lekhwiya) Sheikh Khalifa bin Hamad bin Khalifa Al-Thani, the events witnessed the attendance

of numerous officials, leaders, directors of departments, and officers alongside department staffers and a large crowd of spectators.

The events showcased wide-ranging sporting activities, including running races for 1K and 4K, physical and skill-based contests, tactical and military endurance skills, civil defense shows and events, as well as sports activities organized by the General Directorate of Coasts and Border Security with the participation of staffers from the Police Academy and Establishments and Authorities Security Department.

The events were marked by excellent organizational atmospheres that reflected the level of readiness and coordination among the various participating units and helped reinforce the spirit of teamwork and the culture of practicing sports, as well as encouraged the pursuit of healthy lifestyles among the ministry's staffers.

In essence, the events were part of the participation of the ministry and Lekhwiya in this sports day, which clearly embodies the nation's pursuit to consolidate the notion of sports as a lifestyle and support initiatives that enhance public health and quality of life in society
