Prof. Dr. Asif Ali, Vice Chancellor, Muhammad Nawaz Shareef University of Agriculture Multan

participated in a meeting on the UNESCO Strategic Cooperation Roadmap (2026–2030) at the

Council Hall, Allama Iqbal Open University (AIOU), Islamabad. UNESCO Pakistan. The house

agreed to strengthen the roadmap which is designed to translate policy commitments into

measurable action, aligning UNESCO's global expertise with Pakistan's national priorities, including the 5Es Framework and Pakistan Vision 2025. UNESCO Country representative Dr. Fuad Pashayev emphasized the importance of this partnership, stating, not only strengthening synergies within the UNESCO ecosystem but also with our networks and all our partners in order to play an active role in the construction of the post-2030 agenda”
