Doha, March 02 (QNA) – The Ministry of Interior on Monday urged everyone to obtain information only from official and authorized sources to ensure security and safety.

In a statement posted on X, the ministry stressed that the circulation or publication of rumours constitutes a violation subject to legal accountability.

It also warned against gathering at incident sites, heading to such locations, or filming and sharing

footage related to ongoing field developments, to avoid legal consequences.

The ministry emphasized that such actions hinder the work of competent authorities and negatively affect response times and the safety of all.
