Doha, March 5 (QNA) – The Ministry of Defense (MOD) has announced that the State of Qatar was subjected Thursday, starting at 11:51 AM, to several waves of missile attacks, consisting of (14) ballistic missiles and (Four) drones launched from the Islamic Republic of Iran. The Qatari Armed Forces successfully intercepted (13) missiles, while the last missile fell in Qatari territorial waters.

(4) drones were also successfully intercepted without any casualties.

In a press statement, the MOD emphasized that the Qatari Armed Forces possess the full capabilities and resources to protect and preserve the sovereignty of the State and its territory, and to resolutely tackle any external threat.

MOD called on citizens, residents, and visitors to remain calm, adhere to the instructions issued by security authorities, avoid being misled by rumors, and rely solely on official statements and information.
