Doha, May 19 (QNA) – HH the Amir Sheik Tamim bin Hamad Al-Thani underscored the pivotal role of prominent creators and researchers in advancing nations and fostering the progress of societies.

In a post on his official account on platform X on Tuesday, HH the Amir said the State of Qatar values outstanding creators and researchers who have instrumental role in elevating nations and

advancing societies, congratulating a new cohort of recipients of the State Appreciation and Incentive Awards in recognition of their efforts and contributions.
