Paris, June 18 (QNA) – The State of Qatar participated on Thursday in Vision Golfe (Gulf Vision)

2026, held in Paris under the patronage of HE President of the French Republic Emmanuel

Macron.

The fourth edition of the forum, convened under the theme “From Cooperation to

Transformation,” focused on the shifting dynamics of Euro-Gulf economic relations. Qatar was

represented at the event by HE Ambassador to the French Republic Sheikh Ali bin Jassim Al-Thani.

Qatar's high-level participation underscores the expanding strategic and economic partnership between Doha and Paris, particularly as global trade undergoes rapid realignments driven by geopolitical shifts in the energy and technology sectors.

The event drew senior representatives from prominent Qatari economic institutions and strategic entities. The forum featured targeted panels and networking sessions aimed at deepening engagement with French enterprises, exploring cross-border investment opportunities, and establishing long-term commercial partnerships.
