Doha, June 06 (QNA) – Official Spokesperson of the Ministry of Foreign Affairs (MOFA), Dr. Majed bin Mohammed Al Ansari said mediators had yet to receive a response from Palestine's Islamic Resistance Movement (Hamas) on the latest proposal for a ceasefire and prisoner swap deal between Hamas and the Israeli occupation forces.

Hamas said it was then considering the proposal, Dr. Al Ansari told Qatar News Agency (QNA).

He affirmed that the State of Qatar, the Arab Republic of Egypt and the United States of America are pressing on their joint mediation efforts, calling for not paying attention to unverified media reports and relying on reliable official sources, especially amid the current sensitive negotiations.
