Beirut, July 07 (QNA)– The Israeli entity continued to bomb villages and towns in southern Lebanon.

Lebanese field sources reported that Israeli army artillery targeted the outskirts of the towns of Hanin and Aitaroun. The town of Blida was also targeted with a number of shells.

The Israeli entity continues its escalation against the towns and villages of southern Lebanon in conjunction with its brutal and continuous aggression against the Gaza Strip since Oct. 7, 2023, which resulted in deaths and injuries among civilians, and forced hundreds of families to flee their homes.
