Gaza, July 09 (QNA) – The death toll from the Israeli occupation’s aggression against the Gaza Strip, which has continued since Oct. 7, has risen to 38,243 martyrs and 88,033 wounded.

The Palestine News Agency (Wafa) reported that the occupation forces committed three massacres against families in the Gaza Strip in the past 24 hours, resulting in the death of 50 people and the injury of 130 others.

Since Oct. 7, 2023, the Israeli occupation’s extreme and unprecedented genocide on the Gaza Strip continues, with nonstop air strikes and bombardment shot from all sides (air, land and sea), murdering, injuring and committing bloody massacres against tens of thousands of Palestinian civilians, cutting all means to deliver supplies of food, water, medicine, and fuel to them, and

causing a humanitarian catastrophe of countless martyrs, wounded and missing civilians, as well as a massive destruction of vital infrastructure and facilities in the Gaza Strip.
