Jeddah, July 14 (QNA) – The Organization of Islamic Cooperation (OIC) has strongly condemned the gruesome carnage committed by the Israeli occupation in Al-Mawasi, Khan Younis, and Al-Shatei refugee camps in the Gaza Strip, during which the Israeli occupation forces (IOF) slaughtered hundreds of civilians and injured more others, mostly women and children.

The OIC considered this a continuation of the genocide that the Israeli occupation has been committing against Palestinian civilians in flagrant defiance of the United Nations resolutions and the injunctions of the International Court of Justice in this regard.

The OIC renewed its call on the international community, especially the Security Council, to assume its responsibility in putting an end to the Israeli military genocide that has been going on

for nine months and to ensure that Israel, the occupying power, respects and implements the relevant resolutions of the United Nations.
