Lahore, 23 July 2024: Former international cricketer and General Manager Academies Dr Imran Abbas will feature in a four-day ICC Level 2 Tutors training course, taking place in Malé, Maldives from 24 July.

The initiative is part of ICC's training and education programme to equip their members with quality Level 2 tutors who, in turn, will train quality coaches, enabling members to conduct their own Level 2 courses. The course will be conducted by former Pakistan international cricketer Iqbal Sikander and former Bangladesh Test captain Amin-ul-Islam – both assigned by ICC.

Additionally, the ICC will hold a two-day High-Performance workshop in Maldives on 29-30 July.

Former Test cricketer Wahab Riaz and former international cricketer Shahid Anwar (head coach National Cricket Academy) will participate in the workshop. The workshop is designed to provide

participants with information on the latest coaching techniques as well as on how to identify and develop talent from the grassroots level. Sources PCB.
