he expressed these views in a ceremony held here on Wednesday by his party to mark the

Muneer continued that the deceased leader's life (from 1915 to 2003) has been a mixture of many ups and downs but he never compromised on his ideals. He said that Ghazi-e-Millat pursued higher education from London and was elected Assistant Advocate General of the Maharajah Government.

“Later he was elected as a member of the Prajya Sabha from which he resigned and fought for the freedom and identity of Kashmiris”, the PPP (SB) AJK Chief said, adding that his role in the Kashmir's freedom struggle would be remembered for a long time in the annals of Kashmir history.

there was no place for the Muslims to gather, Ghazi-e-Millat offered his residence in Srinagar in which a Kashmiri representative unanimously decided to link their fate with Pakistan by adopting the historic accession to Pakistan resolution on July 19, 1947.

To achieve this goal, the speakers said, people in the Indian Illegally occupied Jammu and Kashmir State were creating a new history of sacrifices while fighting the worst oppression and tyranny of India since 1989 particularly.

Reiterating his pledge to continue the mission of the deceased leader speakers reiterated said, Kashmiris firm resolve to continue the freedom struggle until the last drop of blood”. They said that the fascist Modi government’s barbarism and brutality won’t deter the valiant people of Kashmir from pursuing their cherished goal for which they have rendered unprecedented sacrifices.

“Kashmiris will dash into the ground the Modi’s nefarious designs and its dream of Akhandbaharat will”, they said, adding that Modi’s hands were soaked with the blood of the people of Kashmir and Gujarat.

Speakers said that Kashmiris would never compromise on their identity and rights. “India wants to erase the political, religious and cultural identity of Kashmiris”, he observed adding that the

Modi government's 5th August 2019 move was part of this plan.

Referring to constitutional, political and administrative machinations by the hardliner PM Modi led Indian government, speakers said that after stripping Kashmir of its nationhood status India was hell bent on turning the Muslim majority of Occupied Kashmir into a minority.

Referring to Kashmiris unconditional love and affinity with the people of Pakistan, speakers said "there is none so far as the state of Pakistan is concerned over the ugly conditions of innocent people of Indian illegally occupied Jammu and Kashmir State, unleashed by Indian occupational forces in the occupied territory.

Concluding speakers emphasised that given the volatile situation in the region it was imperative that the United Nations and Islamic countries must take immediate practical and effective notice of India's expansionist designs and help resolve the Kashmir dispute peacefully once and for all without further delay.
